Tails & Tales

How Does

# Summer Reading

Work?

2021 Tails and Tales is a Summer Reading program for kids of all ages through 12th grade.

Register for your Summer Reading adventure online at [mycdl.beanstack.org](http://mycdl.beanstack.org), download the beanstack app or if you prefer a paper log you can visit any branch.

This year we have **super awesome** Badge Books to keep track of your daily reading!

Badge Books have tracking stickers, fun activities, book ideas and even a Haiku challenge! Stop by your nearest branch and pick one up!

Earn prizes by reading every day!  
Kids will receive a prize from the treasure chest for every seven days they read.

Teens will receive  
giant candy halfway through the program and a free pizza after completion!  
Even 5 minutes a day counts as reading!

Check out our exciting virtual programs!

Visit [mycdl.org](http://mycdl.org) for more details!

Check back on our website for possible in-person programs as the summer goes on.
