How Does

# Summer Reading

Work?

2025 Color Our World is a Summer Reading Program for all ages!

Kids, teens and adults are invited to participate!

Your Summer Reading challenge begins by registering online at [mycdl.beanstack.org](http://mycdl.beanstack.org) or by downloading the Beanstack app.

Kids and teens can also track their reading with a fun reading tracker!

Stop by your nearest branch and pick one up!

This summer, get limited edition badges for reading and participating in library activities!

Kids will earn a badge for every 2 hours they read and an additional 5 badges for attending activities at the library or completing activities on their own. Are you up for the challenge of earning all 12?

Teens earn a prize for every 6 hours read, including an art set at 24 hours!

Adults earn a small prize for each book read, up to 4, and a chance to win a grand prize!

More details about earning prizes can be found at [mycdl.org/summer-reading](http://mycdl.org/summer-reading)

Check out our exciting events by visiting [mycdl.org/events](http://mycdl.org/events) for more details. Preregister for events, as spots are limited.
